**PREPARED IN TERMS OF SECTION 51 OF THE PROMOTION

1. Introduction

Spoor & Fisher is defined as a private body in terms of the Act.

Spoor & Fisher handles the filing, registration, prosecution and enforcement of trade marks, patents, designs and copyright. Clients also choose us to draft agreements for their commercial intellectual property (IP) transactions and to negotiate the best terms. Our intricate knowledge of over 80 different intellectual property (IP) laws and practices across our core geographical regions - Africa and the Caribbean - means that we create and implement robust intellectual property (IP) protection strategies.

Consistency in quality and record-keeping comes with having Spoor & Fisher as a single point of contact to manage entire intellectual property (IP) portfolios. We work directly with corporates - global companies to small businesses - their main legal advisors as well as inventors. 7. Request procedure for access to information in terms of section 51(e)

Request for access to records held by the company must be made on the request forms that are available from the SAHRC website (www.sahrc.org.za) or the Department of Justice and Constitutional Development website (www.doj.gov.za) (under "regulations"). For the convenience of requestors, copies of these forms are included in the version of this Manual.

Request for access to records must be made to our Information Officer at the address, fax number or electronic mail address provided above.

The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record and the requester. The requester should also indicate which form of access is required and indicate if he or she wishes to be informed in any other manner and state the necessary particulars to be so informed.

It is vital that the requester identifies the right that he or she is seeking to exercise or protect and provides an explanation of why the requested record is required for the exercise or protection of that right.

If a request is made on behalf of another person, the requester must then submit proof of capacity in which the requester is making the request to the satisfaction of our Information Officer.

If a requester does not use the standard form (Annexure 1), the request may be rejected for lack of procedural compliance, refused (if sufficient information is not provided, or otherwise) or delayed.

Please note that requestors are also required to pay the prescribed fees. The list of prescribed fees in respect of requests, and in respect of access to records (if the request is granted) is attached as Annexure 2.

The head of the private body must notify the requester (other than a personal requester) of the prescribed fee (if any) before further processing the request. The requester may lodge an internal appeal or an application to Court against the tender or payment of the request fee.

The head of the private body will then make a decision on the request and notify the requester in the required form.

If the request is granted then a further access fee must be paid for the reproduction and the search and preparation, and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.

Kindly note that all request to the company will be evaluated and considered in accordance with the Act. Publication of this Manual and describing the categories and subject matter of information held by the company does not give rise to any rights to access such information or records, except in terms of the Act.
